TEACHING EXPERIENCE

Teaching Assistant to Prof. J. Oechssler

Heidelberg University

April 2021 – today

Heidelberg, Germany

Courses: Game Theory, Advanced Microeconomics, and Industrial Organization.

Seminars: Algorithmic Collusion, Theories of Motivated Reasoning.

Supervision of 2 Bachelor's Theses on extensions of Matthes & Piazzolo (2024).

Course Instructor (Principles of Economics)

DHBW Mannheim

Summer Terms 2023 – 2026

Mannheim, Germany

Course Instructor (Maths Preparation Course)

Leibniz FH - School of Business

Winter Terms 2017 – 2021

Hannover, Germany

Student Teaching Assistant

Heidelberg University

October 2017 – September 2021

Heidelberg, Germany

Courses: Modular Forms, Linear Algebra 1, Algebra 1, Analysis 1, Analysis 2, Introduction to Probability

Theory and Statistics.

ACADEMIC COMMUNITY INVOLVEMENT

Games and Economic Behavior, Theory and Decision

Refereeing

HeiKaMaXY: Behavioral Econ Workshop for Universities HD, KA, and MA

2024 – today

Co-Organizer (workshop takes place twice a year)

Micro Fridays: Microeconomic Theory Seminar for Juniors in Heidelberg

2025 – today

Co-Organizer (seminar takes place monthly)

COMMUNITY INVOLVEMENT

Namaste Didi e.V. (non-profit organization)

First Chairman

November 2020 – today

OTHER EXPERIENCE

Research Assistant

ZEW - Public Finance and Corporate Taxation (Dr. Leonardo Giuffrida)

April 2021 – July 2021

Mannheim, Germany

Student Consultant

GalileiConsult

June 2020 – March 2021

Heidelberg, Germany

Data Science Intern

Backpackertrail

October 2020 – December 2020

Heidelberg, Germany

SKILLS

Languages: German (Native), English (C1), Spanish (B1), French (B1).

Programming Experience: Python (experience with oTree, NumPy, SciPy, Matplotlib, Pandas, Selenium), MATLAB, STATA, R, HTML.

Text Editing: LaTeX, Markdown, Microsoft Office.
